RE: D.T.C. 21-2
Petition of Charter Fiberlink MA-CCO, LLC and Time Warner Cable Information
Services (Massachusetts), LLC for Designation as an Eligible Telecommunications
Carrier

Dear Ms. Green:

Charter Fiberlink MA-CCO, LLC and Time Warner Cable Information Services (Massachusetts), LLC (collectively, "Charter") hereby respectfully move the Department of Telecommunications and Cable (the "Department") for a one day extension of time until March 25, 2021 by which to respond to the remainder of the Department's February 25, 2021 information requests in connection with the above-referenced proceeding.

As referenced in Charter's January 6, 2021 petition, according to the Federal Communications Commission, Charter was assigned the largest number of locations that participated in the Rural Digital Opportunity Fund Phase I auction.¹ The additional time is required to obtain final internal approval of Charter's information request responses, as the person authorized to approve Charter's responses is unavailable. Charter apologizes for any inconvenience this one day extension may cause.

Thank you for your anticipated understanding. Please do not hesitate to contact Steve Bright of this office (617-239-0133) or me should you have any questions regarding this submission.

I hereby certify that a copy of this submission has been served upon all persons designated for such by the Department via electronic mail on this 24th day of March, 2021.

Very truly yours,

David W. Bogan
